# Intern

## **Refugee Case Management**

Engage newly arriving refugees and aid them in the resettlement process by assisting clients to adjust and thrive in the United States.

## **Medical Case Management**

Assist in medical case management and overall health advocacy for refugee clients. Focused on health and wellness and assisting in overcoming barriers to treatment.

## **Social Services - Administrative**

Support refugees by focusing on social service administration to help access crucial services and programs.

## **Employment Services**

Assist refugees on their journey toward self sufficiency through support, employment training, and case management.

## **Children & Youth Services**

Help refugee families navigate school enrollments, help students prepare for their first day of school, and assist with after-school clubs and/or summer camps.

## **Volunteer Mobilization**

Assist with the recruitment, processing, and matching of volunteers with refugee clients within the various World Relief departments.

## **New Arrivals Volunteer Mobilization**

Welcome refugees to the United States by picking them up from the airport and assisting in the process to mobilize volunteers and items needed for refugees to get their basic needs met.

## **Early Childhood Program**

Work with our youngest refugee clients to provide nurturing lessons, activities, and socialization.

## **Education Services (ESL focus)**

Help to teach clients English and build relationships by utilizing necessary curriculum and activities.

## **Immigration Case Management**

Support clients as they maneuver through the naturalization, immigration, and citizenship process.

## **Church Mobilization**

Assist in recruiting and mobilizing church leadership and their congregations to serve refugees and World Relief programs.

## **Communications**

Assist the Communications Manager in communicating the mission and vision of World Relief and its programs to a wide variety of constituencies, including local churches, volunteers, community members, and donors.

## **Development**

Support the work of our organization by reaching out to donors and community partners in order to help support and contribute to the work of World Relief.

## **Counseling Center**

Assist our counselors in serving the refugee community through intensive casework and mental health management.
